### Information

The B126 is a motorized awning with lateral guides for conservatories, greenhouses and inclined glass roofs. The lateral guide system offers an extension up to 1m25 over the front of your conservatory. The specially designed cassette casing prevents leaves and dirt from getting rolled up in the fabric. The conservatory awning B126 provides shade up to 5 m wide and 6 m projection with a maximum fabric surface area of 19 m<sup>2</sup>. A coupled version creates shade up to 10 m wide with a maximum fabric surface area of 38 m<sup>2</sup> (acryl fabric) or 36 m<sup>2</sup> (Soltis fabric).

- Motorised conservatory awning
- Optional extension up to 1,25 m
- Up to 19 m<sup>2</sup> shade, coupled up to 38m<sup>2</sup>
